

Title

Urchin Pendant Large

Description

A new statement-sized Urchin Pendant perfectly proportioned to transform larger spaces. Like the other lights in the Urchin family, its curved organic form springs from the Cornish coastline while its design completely conceals the bulb within. Creates a beautiful effect when illuminated, or try hanging in clusters for an intriguing lighting look. Designed and made by hand at our studios in Cornwall, England.

Also available: the Urchin small and standard sized pendant, and the Urchin Wall Light.
