

Title

Urchin Pendant Small

Description

The Urchin Pendant Light is inspired by the empty shells of the Sea Urchin 'Echinus esculentus', a creature who inhabits our Cornish coast line. Designed to completely conceal the bulb, the spherical form of this wooden pendant light is made up from steam bent strips of sustainably sourced ash, oak or walnut wood and held by laser cut birch plates. The formation of the strips carefully conceals the light bulb whilst creating a beautiful lighting effect.

Available in a small and standard version, the Urchin Pendant light can be used on its own or in clusters. Also available in bespoke sizes.

Materials

Sustainably sourced ash (light wood), oak (medium wood) or walnut (dark wood)

Supplied with a 2m Satin Nickel Ceiling Assembly Kit (E27/E26).

To be used with an energy saving 25 watt bulb (equivalent to a 125 watt standard bulb). We recommend the Crompton Light Bulb with this pendant.

Dimensions

L 365 x W 365 x H 210 mm

READY FOR DISPATCH IN 5 working days
