

Title

Cape Wall Light with LED bulb

Description

Handcrafted in our creative studios in Cornwall the Cape Wall Light takes its form from the wake of a wave and continues Tom Raffield's celebrated signature curved aesthetic. Formed of three timber petals, the Cape family of lights cast intriguing shadows when illuminated. A statement whether switched on or off, and a simple yet elegant design, it can easily be installed on any interior wall to transform your space.

Comes with a free B22 LED bulb

Key information

Materials: Sustainably sourced oak, ash or walnut options. Need help choosing your wood type? Read our guide. Solid oak back plate. Finished with an eco-friendly, natural matt varnish.

Plug-in-and-go or hardwire it into the mains.

Comes with an inline switch and UK plug. Orders delivered to Europe and Australia include a free plug adapter. Sorry, but this product is not suitable for use in the US.

Designed to fit any B22 bulb - we recommend an LED energy saving bulb max 25 watt.
